

**Consulate General of India**

**Jeddah**

**Request for Haj 2017 SIM Cards**

The Indian Haj Mission intends to engage with mobile telephone operators of Saudi Arabia to provide SIM cards for about 1,25,025 Indian pilgrims of HCOI. The proposal in a sealed envelope may be sent to the Consulate General of India latest by 4<sup>th</sup> May, 2017. Broadly, the proposal should include the following points :

1. Company's capacity to provide SIM cards to about 1,25,025 Hajis.
2. Whether the company can provide the SIM cards in India or it will be distributed in Saudi Arabia.
3. Whether the SIM cards will be freely provided or it will have some cost.
4. Company proposal must have a detailed plan of providing manpower and other paraphernalia, including finger printing machines, to assist the Hajis in activation of SIM cards.
5. Any other value added services for the Indian pilgrims.
